Our festival visitors return each year and bring their friends. The 2016 survey showed that 51% of those surveyed heard about the festival through word of mouth.

*Your financial support can do two things - increase your exposure to potential new customers and assist an event that increases a sense of community pride. **

We have several different packages for sponsorship and we will customize a package that provides the benefits that are most important to your business or organization. Contribution levels range from \$100 to \$5,000. Benefits range from appearing in the festival program to inclusion in advertising.
